EDUCATION

MASTER'S IN EDUCATIONAL PSYCHOLOGY, UNIVERSITY OF MICHIGAN

ACHIEVEMENTS

- Received the 'Excellence in Evaluation' award for innovative approaches to program assessment.
- Increased program engagement by 30% through targeted evaluation feedback.
- Published influential white papers that shaped educational policy discussions at national conferences.

PROFILE

Results-oriented Education Evaluation Researcher with over 8 years of experience in systematic evaluation of educational programs. I specialize in identifying key performance indicators and utilizing data-driven approaches to assess program effectiveness. My expertise encompasses both formative and summative evaluations, allowing institutions to adapt and innovate based on evidence.

EXPERIENCE

EVALUATION SPECIALIST

Institute for Educational Leadership

2016 - Present

- Designed evaluation methodologies for multiple educational programs impacting rural schools.
- Conducted workshops for educators on effective data collection techniques.
- Utilized NVivo software for qualitative data analysis, enhancing insight generation.
- Analyzed longitudinal data sets to track student performance over time.
- Collaborated with technical teams to develop evaluation dashboards for real-time reporting.
- Facilitated stakeholder meetings to discuss evaluation findings and implications.

PROGRAM EVALUATOR

Learning Forward

2014 - 2016

- Implemented evaluation protocols for professional development programs for educators.
- Analyzed participant feedback to improve training sessions, achieving a 20% satisfaction increase.
- Worked with external partners to align evaluation criteria with state educational standards.
- Managed data collection processes, ensuring accuracy and compliance with ethical standards.
- Prepared comprehensive evaluation reports for funders and stakeholders.
- Contributed to strategic planning sessions by providing data-driven insights.
