Michael Anderson

SENIOR PROGRAM EVALUATOR

Strategic Education Evaluation Researcher with over 9 years of experience in higher education assessment and program evaluation. I have a strong history of developing evaluation frameworks that align with institutional goals and enhance student learning outcomes. My expertise includes both quantitative and qualitative methodologies, enabling me to conduct thorough evaluations of academic programs and services.

EXPERIENCE

SENIOR PROGRAM EVALUATOR

University Assessment Office

2016 - Present

- Developed and implemented evaluation plans for academic programs, resulting in a 20% increase in student satisfaction ratings.
- Conducted comprehensive assessments of student learning outcomes across multiple departments.
- Facilitated focus group discussions to gather qualitative insights from students and faculty.
- Prepared detailed reports that informed strategic planning and program improvements.
- Utilized statistical software to analyze program data and present findings to stakeholders.
- Mentored junior evaluators, fostering a culture of continuous improvement and learning.

RESEARCH ANALYST II

State Higher Education Agency

2014 - 2016

- Conducted evaluations of state-funded educational initiatives, providing actionable recommendations.
- Analyzed data trends to assess the impact of educational policies on student outcomes.
- Collaborated with governmental bodies to align evaluation practices with state regulations.
- Presented findings at statewide conferences, enhancing public understanding of evaluation results.
- Designed surveys to measure program effectiveness and stakeholder satisfaction.
- Contributed to the development of evaluation guidelines for higher education institutions.
