EDUCATION

MASTER'S IN HIGHER EDUCATION ADMINISTRATION, UNIVERSITY OF ACADEMIC EXCELLENCE

ACHIEVEMENTS

- Improved student retention rates by 20% through targeted program evaluations.
- Recognized for outstanding contributions to institutional research with the 'Research Excellence Award' in 2021.
- Published research findings in leading higher education journals, influencing policy changes.

WORK EXPERIENCE

HIGHER EDUCATION RESEARCH ANALYST

University Research Office

2020 - 2025

- Conducted assessments of student success programs to measure their impact on enrollment and retention.
- Utilized data visualization tools to present complex findings to university leadership.
- Collaborated with faculty to develop actionable strategies based on research insights.
- Organized focus groups with students to gather qualitative feedback on academic support services.
- Authored comprehensive reports that informed university policy decisions.
- Trained staff in data collection methods to enhance research efforts across departments.

DATA ANALYST

State University

2015 - 2020

- Analyzed institutional data to identify trends in student performance and program effectiveness.
- Supported the development of strategic initiatives aimed at improving graduation rates.
- Created dashboards for stakeholders to track key performance indicators over time.
- Collaborated with academic advisors to evaluate the success of intervention programs.
- Presented findings at institutional meetings, driving discussions on continuous improvement.
- Provided insights that helped secure funding for new academic programs.
