

MICHAEL ANDERSON

Mental Health Education Researcher

- San Francisco, CA
- (555) 234-5678
- michael.anderson@email.com

As a committed Education Inclusion Researcher, I have spent the last nine years focusing on the impact of mental health on educational outcomes for students with disabilities. My background in psychology equips me with a unique perspective on how mental health issues intersect with educational inclusion.

WORK EXPERIENCE

Mental Health Education Researcher | Mental Health and Education Partnership

Jan 2022 – Present

- Conducted research on the impact of mental health on students with disabilities.
- Collaborated with schools to develop mental health resource programs for students.
- Analyzed data on academic performance and mental health correlations.
- Published articles in educational journals advocating for mental health inclusion.
- Presented research findings at mental health education conferences.
- Facilitated training sessions for educators on mental health awareness.

Research Associate | University Mental Health Research Center

Jul 2019 – Dec 2021

- Assisted in studies examining mental health services for students with disabilities.
- Collected and analyzed data related to student mental health outcomes.
- Supported the development of surveys measuring mental health awareness in schools.
- Contributed to grant proposals focused on mental health in education.
- Co-authored research papers published in peer-reviewed journals.
- Engaged with stakeholders to promote mental health initiatives in schools.
