MICHAEL ANDERSON

DIRECTOR OF POLICY AND RESEARCH

I am an accomplished Education Policy Researcher with over 10 years of experience in nonprofit organizations and government agencies. My career has been dedicated to improving educational outcomes for marginalized communities through rigorous research and advocacy. I have a deep understanding of the policies affecting K-12 education and have worked extensively on issues related to funding, equity, and access.

PROFESSIONAL EXPERIENCE

Education Trust

Mar 2018 - Present

Director of Policy and Research

- Directed research initiatives focused on education equity and funding disparities.
- Managed a team of researchers to produce high-impact reports on educational outcomes.
- Engaged with policymakers to advocate for equitable funding models.
- Presented findings to national audiences, influencing public policy decisions.
- Oversaw the development of data visualization tools to enhance communication of research findings.
- Fostered partnerships with community organizations to amplify research impact.

Department of Education

Dec 2015 - Jan 2018

Policy Analyst

- Conducted policy analysis on federal education initiatives and their local impact.
- Collaborated with cross-functional teams to evaluate program effectiveness.
- Developed policy briefs that informed decision-making at the state level.
- Facilitated focus groups with educators to gather qualitative data.
- Authored reports that highlighted key trends in educational equity.
- Provided technical assistance to schools implementing new federal policies.

ACHIEVEMENTS

- Led a campaign that secured \$10 million in funding for underserved schools.
- Published a widely-cited report on the impact of socio-economic status on educational achievement.
- Recognized by the National Association of Education Researchers for outstanding contributions to policy research.
