I am a passionate Education Quality Researcher with over 6 years of experience focusing on special education and inclusive practices. My dedication to ensuring equitable access to quality education for all students drives my research. I specialize in evaluating programs and practices that support students with disabilities, aiming to enhance their learning experiences and outcomes.

## WORK EXPERIENCE

### Special Education Researcher | Inclusive Education Institute

Jan 2022 – Present

- Evaluated special education programs to determine effectiveness and compliance.
- Conducted interviews and focus groups to gather qualitative data.
- Developed assessment tools tailored for students with disabilities.
- Collaborated with educators to implement evidence-based practices.
- Presented research findings at conferences focused on inclusive education.
- Authored reports that influenced policy changes in special education.

### Research Assistant | Center for Disabilities Studies

Jul 2019 – Dec 2021

- Assisted in research on the effectiveness of inclusive education practices.
- Conducted data analysis to assess student progress and program impact.
- Participated in community engagement initiatives to promote awareness.
- Supported the development of training materials for educators.
- Prepared presentations on research findings for stakeholders.
- Collaborated with multidisciplinary teams to enhance research efforts.
