EDUCATION

**MASTER'S IN EARLY CHILDHOOD
EDUCATION, UNIVERSITY OF CHILD
DEVELOPMENT, 2015**

ACHIEVEMENTS

- Recognized for outstanding contributions to early childhood research by the National Association for the Education of Young Children in 2020.
- Implemented a new data collection framework that increased participant engagement by 50%.
- Secured a research grant to study the impact of parental involvement in early education.

WORK EXPERIENCE

EARLY CHILDHOOD RESEARCH ASSOCIATE

Childhood Education Institute
2020 - 2025

- Conducted qualitative interviews with parents and educators to assess the impact of play-based learning.
- Developed assessment tools that improved the evaluation of early learning outcomes.
- Collaborated with local preschools to implement research-based interventions, leading to a 30% improvement in literacy readiness.
- Presented findings at early childhood education conferences, enhancing community awareness.
- Utilized observational methods to gather data on classroom interactions and child engagement.
- Authored research papers that influenced policy changes in early education programs.

RESEARCH INTERN

National Early Learning Center
2015 - 2020

- Assisted in research projects evaluating the effectiveness of early intervention programs for at-risk children.
- Conducted literature reviews to support ongoing research initiatives.
- Participated in data collection and analysis, contributing to multiple research reports.
- Facilitated focus groups with caregivers to gather qualitative insights on program experiences.
- Supported the development of training materials for educators based on research findings.
- Collaborated with senior researchers to refine data collection methodologies.
