- Policy development
- User-centered design
- Educational evaluation

### LANGUAGES

- English
- Spanish
- French

### EDUCATION

**PH.D. IN EDUCATIONAL TECHNOLOGY,  
UNIVERSITY OF KNOWLEDGE, 2011**

### ACHIEVEMENTS

- Authored influential research papers that have been cited over 500 times in scholarly literature.
- Increased technology adoption rates by 50% through targeted training initiatives.
- Awarded 'Innovator of the Year' by the EdTech Association in 2020 for groundbreaking research.

### WORK EXPERIENCE

#### SENIOR EDUCATION RESEARCHER

EdTech Innovations Group

2020 - 2025

- Led research initiatives focused on the impact of technology on learning outcomes across K-12 settings.
- Developed comprehensive reports that informed policy decisions at the district level.
- Collaborated with technology companies to design tools that enhance educational engagement.
- Facilitated professional development sessions for educators on effective technology integration.
- Oversaw a team of researchers in the evaluation of new educational products.
- Utilized statistical software to analyze large datasets related to educational performance.

#### INSTRUCTIONAL DESIGNER

Learning Solutions Corp.

2015 - 2020

- Designed and implemented technology-enhanced learning experiences for adult learners.
- Conducted needs assessments to identify gaps in current training programs.
- Utilized evidence-based practices to improve course effectiveness.
- Collaborated with subject matter experts to develop engaging online content.
- Evaluated learner feedback to continuously refine instructional materials.
- Managed multiple projects simultaneously, meeting tight deadlines and budget constraints.
