Michael Anderson

HEALTHCARE EDUCATION EVALUATOR

I am a detail-oriented Educational Evaluation Specialist with 7 years of experience in the healthcare education sector. My expertise lies in designing, implementing, and evaluating educational programs for healthcare professionals. I have a strong foundation in adult learning principles and utilize various evaluation methods to assess program effectiveness.

EXPERIENCE

HEALTHCARE EDUCATION EVALUATOR

Health Training Solutions

2016 - Present

- Evaluated educational programs for healthcare professionals, improving training compliance by 30%.
- Developed evaluation frameworks based on adult learning principles.
- Conducted surveys to assess healthcare providers' knowledge gaps.
- Collaborated with medical staff to enhance training materials and delivery methods.
- Reported on program effectiveness to regulatory bodies to ensure compliance.
- Facilitated focus groups to gather qualitative feedback from participants.

PROGRAM COORDINATOR

Community Health Organization

2014 - 2016

- Assisted in the design and evaluation of continuing education programs for healthcare workers.
- Managed data collection processes to ensure accurate assessment of program outcomes.
- Collaborated with interdisciplinary teams to align training with best practices in healthcare.
- Analyzed feedback data to identify areas for program improvement.
- Presented findings to stakeholders to secure funding for program enhancements.
- Maintained records of program evaluations and compliance with healthcare regulations.
