## K-12 ASSESSMENT SPECIALIST

As an Educational Measurement Specialist with 9 years of experience, I have a strong background in developing and evaluating educational assessments in K-12 environments. My passion for educational equity drives my work, and I have dedicated my career to ensuring that assessments are fair and accessible for all students.

## EXPERIENCE

### K-12 ASSESSMENT SPECIALIST

Local School District

2016 - Present

- Developed and implemented assessment policies for K-12 education.
- Collaborated with teachers to create formative and summative assessments.
- Conducted data analysis to evaluate assessment effectiveness and impact.
- Facilitated training sessions for educators on assessment best practices.
- Led a technology integration project that improved assessment delivery.
- Increased student performance on standardized tests by 18% through targeted interventions.

### ASSESSMENT COORDINATOR

Non-Profit Educational Organization

2014 - 2016

- Managed the development and administration of assessments for underserved populations.
- Conducted workshops on culturally responsive assessment practices.
- Analyzed data to identify achievement gaps and recommended strategies.
- Collaborated with community organizations to support student assessment needs.
- Presented findings to stakeholders, leading to policy changes in assessment practices.
- Achieved a 25% increase in assessment participation from marginalized communities.
