### SUMMARY

As an experienced Educational Program Designer with over 8 years in the field, I have a strong background in developing innovative learning experiences tailored to diverse educational settings. My expertise lies in collaborating with educators and stakeholders to create curricula that meet both student needs and institutional goals. I have a proven track record of utilizing data-driven insights to enhance program effectiveness and learner engagement.

### WORK EXPERIENCE

#### Senior Educational Program Designer Innovative Learning Solutions

Jan 2023 - Present

- Designed and implemented a comprehensive STEM curriculum for K-12 students, resulting in a 25% increase in student engagement.
- Collaborated with a team of educators to develop online learning modules, enhancing accessibility for remote learners.
- Utilized feedback from students and teachers to refine program offerings, achieving a 90% satisfaction rate in user surveys.
- Conducted workshops for teachers on integrating technology into lesson plans, improving teaching methods across the board.
- Managed a \$200,000 budget for educational resources, ensuring cost-effective procurement and allocation.
- Analyzed student performance data to assess program impact, leading to targeted interventions that improved test scores by 15%.

#### Educational Program Coordinator City School District

Jan 2020 - Dec 2022

- Coordinated after-school enrichment programs that served over 500 students annually.
  - Established partnerships with local organizations to provide internships and workshops, facilitating real-world learning opportunities.
  - Developed assessment tools to measure the effectiveness of educational programs, leading to data-driven improvements.
  - Facilitated training sessions for staff on new educational technologies, increasing implementation rates.
  - Implemented feedback mechanisms for continuous program improvement, resulting in a 20% increase in program participation.
  - Authored grant proposals that secured over \$100,000 in funding for new educational initiatives.
-
