EDUCATION

**M.A. IN EDUCATIONAL MEASUREMENT
AND EVALUATION, UNIVERSITY OF
ASSESSMENT**

ACHIEVEMENTS

- Recognized for outstanding contributions to educational equity by the National Education Association.
- Increased assessment participation rates among underrepresented students by 30% through targeted outreach.
- Published 10 articles in educational journals focusing on assessment biases.

MICHAEL ANDERSON

PSYCHOMETRIC CONSULTANT

PROFILE

With a deep passion for educational equity and over 8 years of hands-on experience in psychometrics, I have been instrumental in developing assessments that accurately measure student learning outcomes, specifically for underserved populations. My work has focused on addressing cultural biases in testing and ensuring that assessments reflect the diverse backgrounds of students.

EXPERIENCE

PSYCHOMETRIC CONSULTANT

Assessment Solutions Group

2016 - Present

- Developed customized assessments for diverse student populations.
- Analyzed psychometric data to identify and mitigate bias in testing.
- Collaborated with educators to enhance assessment literacy.
- Utilized SPSS and Stata for data analysis and reporting.
- Provided training workshops for educators on effective data use.
- Authored reports that influenced educational policy at the district level.

RESEARCH ANALYST

Center for Educational Equity

2014 - 2016

- Conducted research on assessment practices affecting marginalized student groups.
- Designed surveys to gather qualitative data from educators and students.
- Presented research findings to stakeholders to advocate for policy changes.
- Collaborated with community organizations to improve assessment accessibility.
- Published research on cultural responsiveness in educational assessments.
- Participated in state-level committees to review educational assessment standards.
