# MICHAEL ANDERSON

## DIRECTOR OF ASSESSMENT

I am a dedicated Educational Psychometrics Researcher with over 12 years of experience in higher education assessment and evaluation. My work has primarily focused on the development of psychometric models that enhance the reliability and validity of tests used in colleges and universities. I have a strong background in statistical methodologies and have successfully implemented innovative assessment techniques that have improved student learning outcomes.

## **PROFESSIONAL EXPERIENCE**

### **State University**

*Mar 2018 - Present*

Director of Assessment

- Led the assessment office to enhance the university's evaluation processes.
- Implemented a new psychometric framework that increased assessment efficiency.
- Trained faculty on assessment design and data interpretation.
- Utilized advanced statistical software for data analysis and reporting.
- Collaborated with academic departments on continuous improvement initiatives.
- Published annual assessment reports that informed strategic planning.

### **Community College**

*Dec 2015 - Jan 2018*

Assessment Coordinator

- Developed and administered assessments for student learning outcomes.
- Analyzed data to identify trends in student performance.
- Facilitated workshops on effective assessment practices.
- Collaborated with faculty to align assessments with learning objectives.
- Provided data-driven recommendations for curriculum improvements.
- Contributed to accreditation processes through assessment documentation.

## **ACHIEVEMENTS**

- Increased student success rates by 25% through enhanced assessment strategies.
- Received the Excellence in Assessment Award from the National Association for Assessment.
- Authored 12 peer-reviewed articles on psychometrics and educational assessment.
