MICHAEL ANDERSON

EHR PROJECT MANAGER

Accomplished EHR Implementation Consultant with a strong focus on enhancing healthcare delivery through effective technology integration. Extensive experience in managing end-to-end EHR implementations, ensuring alignment with clinical workflows and organizational objectives. Expertise in stakeholder management, including engaging diverse teams to foster collaboration and ensure successful project outcomes. Proven ability to analyze complex data sets and derive actionable insights that drive decision-making and improve care quality.

PROFESSIONAL EXPERIENCE

Healthcare Innovations Group
Mar 2018 - Present

EHR Project Manager

- Managed comprehensive EHR implementation projects across various healthcare facilities.
- Coordinated with clinical and administrative teams to ensure alignment with operational goals.
- Developed project timelines and budgets, achieving a 15% cost reduction.
- Facilitated user training sessions, leading to a 45% improvement in system usage.
- Monitored project milestones and adjusted strategies to meet changing requirements.
- Ensured compliance with healthcare regulations throughout the implementation process.

Digital Health Solutions
Dec 2015 - Jan 2018

EHR Implementation Analyst

- Assisted in the analysis and design of EHR systems tailored to clinical needs.
- Conducted training and support for over 200 healthcare staff on new systems.
- Collaborated with IT teams to enhance software functionality based on user feedback.
- Documented processes and user guides to facilitate seamless transitions.
- Evaluated system performance metrics to identify areas for improvement.
- Engaged with stakeholders to ensure project objectives were met.

ACHIEVEMENTS

- Reduced implementation time by 20% through optimized project management practices.
- Recognized for exceptional service with the 'Excellence in Consulting' award.
- Contributed to a 30% increase in patient satisfaction scores post-implementation.
