### WORK EXPERIENCE

#### Healthcare Manager

2020-2023

Elder Care Hospital

- Managed a team of healthcare professionals in providing quality care to elderly patients.
- Conducted assessments to identify signs of elder abuse and neglect in clinical settings.
- Developed and implemented training programs for staff on elder abuse prevention.
- Collaborated with social services to create comprehensive care plans for at-risk patients.
- Monitored compliance with healthcare regulations regarding elder care.
- Facilitated family meetings to discuss patient care and well-being.

#### Nurse Case Manager

2019-2020

Home Health Services

- Assessed patients in their homes to identify health risks and potential abuse.
- Coordinated care with multidisciplinary teams to ensure comprehensive support.
- Educated families on the signs of elder abuse and available resources.
- Developed individualized care plans based on patient needs and preferences.
- Monitored patient progress and made adjustments to care plans as needed.
- Advocated for patient rights within the healthcare system.

### ACHIEVEMENTS

- Increased staff compliance with elder abuse reporting protocols by 70% through training initiatives.
- Recipient of the Excellence in Nursing Award for outstanding contributions to elder care.
- Successfully implemented a new patient safety program that reduced incidents of abuse.
