# Michael Anderson

## HEALTH POLICY ANALYST

Dedicated Elder Care Impact Analyst with expertise in health policy and program evaluation. Focused on assessing the effectiveness of elder care initiatives and advocating for policies that enhance the well-being of seniors. Demonstrates a strong ability to analyze complex health data and translate findings into actionable recommendations for stakeholders. Committed to fostering collaborative relationships with community organizations and government agencies to promote best practices in elder care.

## EXPERIENCE

### HEALTH POLICY ANALYST

State Department of Aging

2016 - Present

- Analyzed state-level health policies impacting elder care services.
- Conducted evaluations of existing programs to identify areas for improvement.
- Collaborated with stakeholders to develop policy recommendations.
- Presented findings to legislative committees to advocate for funding.
- Engaged in community outreach to gather input on elder care needs.
- Monitored legislative developments affecting elder services.

### PROGRAM EVALUATOR

Aging Services Network

2014 - 2016

- Conducted evaluations of elder care programs funded by government grants.
- Developed evaluation frameworks to assess program outcomes.
- Collaborated with program managers to implement evaluation findings.
- Prepared comprehensive reports for funding agencies and stakeholders.
- Facilitated focus groups to gather qualitative data from program participants.
- Presented evaluation results to enhance program visibility and support.
