ACHIEVEMENTS

- Improved program efficiency by 40% through targeted evaluations.
- Recognized as 'Employee of the Year' for outstanding contributions in 2020.
- Developed a framework adopted by multiple organizations for elder care assessment.

PROFILE

Accomplished Elder Care Monitoring and Evaluation Manager with an extensive background in geriatric healthcare and program evaluation. Demonstrated ability to implement innovative monitoring systems that ensure high standards of care for elderly populations. Proven expertise in managing large-scale projects, collaborating with healthcare professionals, and utilizing technology to enhance service delivery. Strong analytical skills enable the identification of trends and the development of strategies that improve patient outcomes.

EXPERIENCE

DIRECTOR OF ELDER CARE SERVICES

CareFirst Community

2016 - Present

- Oversaw the development and implementation of elder care monitoring programs.
- Managed a budget of over \$2 million for elder care initiatives.
- Coordinated training sessions for staff on elder care best practices.
- Engaged with families to assess and improve service delivery.
- Analyzed service data to inform policy and operational decisions.
- Collaborated with external partners to enhance care services.

PROGRAM EVALUATOR

ElderCare Research Institute

2014 - 2016

- Conducted evaluations of elder care programs to assess effectiveness.
- Developed evaluation frameworks based on best practices and standards.
- Utilized qualitative and quantitative methods to analyze program data.
- Presented findings to stakeholders to guide program enhancements.
- Facilitated workshops to disseminate evaluation results.
- Collaborated with researchers to publish findings in academic journals.
