MICHAEL ANDERSON

DIGITAL OUTREACH SPECIALIST

Innovative elder community outreach officer with a focus on integrating technology into community services for seniors. Expertise in developing digital outreach strategies that enhance accessibility and engagement among older adults. Proven track record of collaborating with tech partners to create user-friendly applications aimed at improving the quality of life for seniors.

PROFESSIONAL EXPERIENCE

Tech for Seniors Initiative   Mar 2018 - Present
Digital Outreach Specialist

- Designed and launched a mobile app that connects seniors with local services.
- Conducted training sessions to familiarize seniors with new technologies.
- Collaborated with IT teams to ensure app accessibility for diverse user needs.
- Analyzed user feedback to refine app features and enhance user experience.
- Organized webinars on digital literacy tailored for elderly participants.
- Developed marketing strategies to promote technology adoption among seniors.

Elder Services Development Agency   Dec 2015 - Jan 2018
Community Engagement Officer

- Led initiatives to integrate technology into traditional outreach practices.
- Facilitated partnerships with tech companies to create tailored solutions for seniors.
- Organized community events showcasing technology resources for elderly individuals.
- Conducted surveys to identify technology gaps and opportunities for improvement.
- Provided ongoing support for seniors utilizing new technological tools.
- Monitored program effectiveness through data analysis and user satisfaction surveys.

ACHIEVEMENTS

- Increased app downloads among seniors by 200% within the first year of launch.
- Recognized as a 'Tech Innovator' by the National Aging Association.
- Successfully organized the first virtual senior fair, reaching over 1,000 participants.
