MICHAEL ANDERSON

LEAD ELECTRICAL COMMISSIONING ENGINEER

Accomplished Electrical Commissioning Engineer with over 12 years of experience in the oil and gas industry. Expertise in managing the commissioning of complex electrical systems for onshore and offshore projects. Proven ability to lead cross-functional teams to deliver projects within time and budget constraints while maintaining safety standards. Strong understanding of industry regulations and best practices, coupled with a commitment to continuous improvement.

PROFESSIONAL EXPERIENCE

Offshore Energy Corp.

Mar 2018 - Present

Lead Electrical Commissioning Engineer

- Oversaw the commissioning of electrical systems for offshore drilling platforms, ensuring compliance with safety standards.
- Led a team of engineers and technicians in troubleshooting and resolving commissioning issues.
- Developed and executed project commissioning plans that reduced operational delays by 15%.
- Implemented a risk management framework that improved safety outcomes by 20%.
- Conducted technical reviews and audits of electrical installations.
- Facilitated training programs for technical staff on new electrical systems and technologies.

Energy Solutions International

Dec 2015 - Jan 2018

Electrical Engineer

- Supported the commissioning of electrical systems for refinery upgrades and expansions.
- Performed detailed inspections and testing of electrical equipment to ensure operational readiness.
- Assisted in developing commissioning documentation and procedures.
- Collaborated with construction teams to ensure timely completion of electrical installations.
- Provided technical support during system start-up and testing phases.
- Engaged in continuous professional development to stay updated on industry advancements.

ACHIEVEMENTS

- Successfully led a project that achieved zero safety incidents during commissioning.
- Received 'Best Team Leader' award for outstanding project delivery in 2019.
- Increased efficiency of commissioning processes by developing new protocols and training programs.
