# MICHAEL ANDERSON

## LEAD ELECTRICAL INSPECTION TECHNICIAN

Proficient Electrical Inspection Technician with extensive experience in high-voltage systems and safety compliance. Expertise in conducting thorough inspections and assessments of electrical installations, ensuring adherence to stringent safety standards. Recognized for exceptional problem-solving skills and the ability to identify potential hazards before they manifest. Strong background in the implementation of safety protocols and risk management strategies that have significantly reduced workplace incidents.

## **PROFESSIONAL EXPERIENCE**

### **High Voltage Solutions, Inc.**

*Mar 2018 - Present*

Lead Electrical Inspection Technician

- Oversaw high-voltage electrical inspections, ensuring compliance with OSHA and NEC standards.
- Utilized specialized testing equipment to evaluate the integrity of electrical systems.
- Developed comprehensive safety protocols that reduced incident rates by 40%.
- Trained junior technicians on high-voltage safety practices and inspection techniques.
- Conducted risk assessments and provided actionable feedback to project managers.
- Maintained detailed records of inspection findings and compliance reports for regulatory purposes.

### **PowerSafe Corp.**

*Dec 2015 - Jan 2018*

Electrical Inspector

- Conducted inspections of electrical systems in commercial buildings, focusing on safety and compliance.
- Identified and rectified electrical hazards, ensuring public safety and regulatory compliance.
- Collaborated with engineering teams to enhance electrical designs for improved safety.
- Documented inspection results and communicated findings to clients promptly.
- Participated in safety audits and inspections, contributing to overall safety enhancements.
- Provided expert advice on electrical safety standards and compliance issues.

## **ACHIEVEMENTS**

- Recognized for achieving the highest safety compliance rating in the company for three consecutive years.
- Implemented a new training program that improved technician performance by 30%.
- Awarded Employee of the Month for exemplary performance in high-voltage inspections.
