- English
- Spanish
- French

Highly skilled Electrical Inspector with over 5 years of experience in the telecommunications sector. Specialized in inspecting electrical systems for data centers and communication infrastructures. Proven expertise in ensuring compliance with industry standards and maintaining operational integrity. Strong attention to detail and analytical skills allow for the identification of potential issues before they arise.

💼 WORK EXPERIENCE

Telecommunications Electrical Inspector   2020-2023

NetConnect Solutions

- Performed inspections of electrical systems within data centers for compliance.
- Monitored power distribution units to ensure optimal performance.
- Documented inspection findings and prepared compliance reports for management.
- Collaborated with IT teams to address electrical issues affecting uptime.
- Utilized diagnostic tools to assess system integrity and performance.
- Achieved a 99% uptime rate for inspected facilities over a one-year period.

Electrical Technician   2019-2020

Telecom Innovations

- Assisted in the installation and inspection of electrical systems for telecom projects.
- Conducted routine maintenance checks on electrical equipment.
- Supported lead inspectors in documenting compliance findings.
- Participated in troubleshooting electrical issues as they arose.
- Maintained records of inspections and maintenance activities.
- Contributed to a project that improved electrical reliability by 15% across client sites.

⭐ ACHIEVEMENTS

- Recognized for outstanding performance in inspections by NetConnect Solutions in 2022.
- Improved inspection efficiency by 20% through the implementation of new procedures.
- Successfully identified and resolved over 50 compliance issues in data centers.
