- San Francisco, CA

### SKILLS

- Aerospace systems
- FAA compliance
- Troubleshooting
- Team leadership
- Safety protocols
- Documentation

### LANGUAGES

- English
- Spanish
- French

### EDUCATION

**ASSOCIATE OF APPLIED SCIENCE IN  
AVIATION MAINTENANCE  
TECHNOLOGY, FLIGHT SCHOOL, 2014**

### ACHIEVEMENTS

- Achieved a 100% compliance rate during FAA inspections.
- Recognized for exceptional performance in high-pressure situations.
- Contributed to a 15% reduction in maintenance turnaround time through process improvements.

### WORK EXPERIENCE

#### ELECTRICAL SYSTEMS TECHNICIAN

AeroTech Industries

2020 - 2025

- Maintained and repaired electrical systems in commercial and military aircraft.
- Conducted comprehensive inspections to ensure compliance with FAA regulations.
- Utilized specialized diagnostic equipment to troubleshoot electrical malfunctions.
- Collaborated with engineering teams on system upgrades and modifications.
- Trained junior technicians on safety practices and maintenance procedures.
- Documented maintenance activities and generated reports for compliance audits.

#### ELECTRICAL MAINTENANCE TECHNICIAN

Skyline Aviation

2015 - 2020

- Performed routine maintenance checks on aircraft electrical systems to ensure operational readiness.
- Assisted in the installation of new electrical components and systems.
- Conducted troubleshooting and repairs under strict time constraints during flight preparations.
- Maintained detailed records of maintenance work performed.
- Participated in safety reviews and contributed to safety improvement initiatives.
- Collaborated with cross-functional teams to address electrical issues promptly.
