### EDUCATION

#### Bachelor of Science in Electrical Engineering Technology

Community College  
2021

### SKILLS

- Project Management
- Electrical Infrastructure
- Compliance
- Team Coordination
- Safety Management
- Documentation

### LANGUAGES

- English
- Spanish
- French

### WORK EXPERIENCE

#### Electrical Systems Coordinator

2020-2023

Urban Energy Solutions

- Coordinated electrical system upgrades in urban infrastructure projects.
- Monitored project timelines and budgets, ensuring adherence to specifications.
- Collaborated with city planners and engineers to design efficient electrical layouts.
- Conducted site assessments to evaluate existing electrical systems.
- Engaged with contractors to oversee installation and compliance.
- Prepared reports on project status and performance metrics for stakeholders.

#### Electrical Technician

2019-2020

Power Solutions Group

- Performed installation and maintenance of electrical systems in commercial buildings.
- Assisted in troubleshooting electrical issues and implementing solutions.
- Maintained accurate records of maintenance and repair activities.
- Supported senior engineers in project execution and documentation.
- Engaged in safety training and compliance workshops.
- Utilized diagnostic tools to assess system functionality and performance.

### ACHIEVEMENTS

- Led a project that enhanced energy efficiency by 15% across urban installations.
- Received commendation for outstanding safety performance during electrical installations.
- Successfully completed all projects within budget and timeline constraints.
