SKILLS

- Electrical design
- Project management
- Revit
- AutoCAD
- Inspection
- Team mentorship

LANGUAGES

- English
- Spanish
- French

EDUCATION

BACHELOR OF SCIENCE IN ELECTRICAL ENGINEERING, CITY UNIVERSITY, 2014

ACHIEVEMENTS

- Successfully completed over 15 high-profile commercial projects with zero safety violations.
- Recognized for outstanding teamwork and collaboration in project delivery.
- Streamlined design processes, resulting in a 20% reduction in project turnaround time.

WORK EXPERIENCE

ELECTRICAL PROJECT ENGINEER

Urban Builders Ltd.

2020 - 2025

- Designed electrical systems for new commercial developments, ensuring compliance with local codes and regulations.
- Managed project timelines and budgets, delivering projects on schedule and within financial limits.
- Coordinated with architects and contractors to create integrated design solutions.
- Conducted inspections and testing of electrical systems to ensure functionality and safety.
- Utilized Revit and AutoCAD for creating detailed electrical layouts and documentation.
- Mentored junior engineers, fostering a collaborative and supportive work environment.

JUNIOR ELECTRICAL ENGINEER

Construction Dynamics

2015 - 2020

- Assisted in the design and implementation of electrical systems for residential projects.
- Performed calculations for load requirements and energy efficiency.
- Collaborated with senior engineers on design modifications and project updates.
- Maintained project documentation, including drawings and specifications.
- Participated in site visits to assess installation progress and quality.
- Supported the procurement process for electrical materials and components.
