- San Francisco, CA

SKILLS

- Quality Control
- Aerospace Standards
- Inspection Techniques
- Statistical Analysis
- Process Improvement
- Team Coordination

LANGUAGES

- English
- Spanish
- French

EDUCATION

BACHELOR OF SCIENCE IN ELECTRICAL ENGINEERING, CALIFORNIA INSTITUTE OF TECHNOLOGY, 2016

ACHIEVEMENTS

- Played a key role in achieving AS9100 certification for the company.
- Recognized for implementing a quality initiative that improved efficiency by 20%.
- Contributed to a project that successfully met critical deadlines without quality compromise.

PROFILE

Results-driven Electrical Quality Engineer with a solid foundation in the aerospace industry, focused on ensuring the highest quality standards in electrical systems. With over 6 years of hands-on experience, I have successfully executed numerous quality assurance projects that resulted in improved operational efficiencies. My expertise lies in interpreting complex electrical specifications and conducting meticulous inspections to verify compliance.

EXPERIENCE

ELECTRICAL QUALITY ENGINEER

AeroTech Industries

2016 - Present

- Conducted thorough quality inspections of electrical assemblies in aerospace applications.
- Developed inspection protocols that reduced non-conformance rates by 15%.
- Collaborated with engineers to resolve quality issues during the production phase.
- Monitored supplier performance and initiated corrective actions when necessary.
- Utilized statistical process control to improve manufacturing processes.
- Facilitated training sessions on quality standards for production staff.

JUNIOR QUALITY ENGINEER

SkyLine Aerospace

2014 - 2016

- Assisted in the development of quality assurance plans for new projects.
- Performed inspections on electrical components and assemblies.
- Documented quality findings and supported the resolution of issues.
- Supported audits to ensure compliance with industry standards.
- Participated in continuous improvement initiatives to enhance quality processes.
- Maintained quality records and prepared reports for management review.
