SKILLS

- Project Management
- Feasibility Studies
- Team Leadership
- Budget Management
- Safety Protocols
- Communication

LANGUAGES

- English
- Spanish
- French

EDUCATION

**BACHELOR OF ENGINEERING IN
ELECTRICAL ENGINEERING, INSTITUTE
OF TECHNOLOGY, 2015**

ACHIEVEMENTS

- Achieved a 35% improvement in project delivery time through process optimization.
- Recognized for outstanding leadership in managing high-stakes retrofit projects.
- Implemented a training program that enhanced team skills, resulting in a 20% increase in productivity.

WORK EXPERIENCE

ELECTRICAL RETROFIT PROJECT MANAGER

Prime Electric Services

2020 - 2025

- Directed multiple retrofit projects, ensuring alignment with client specifications and timelines.
- Conducted feasibility studies for proposed electrical upgrades and retrofits.
- Supervised on-site teams, providing guidance and support throughout project execution.
- Implemented project tracking systems to enhance communication and efficiency.
- Managed project budgets, achieving a 10% reduction in costs through strategic sourcing.
- Facilitated training sessions for team members on new technologies and safety practices.

ELECTRICAL TECHNICIAN

Future Proof Systems

2015 - 2020

- Supported the installation and retrofitting of advanced electrical systems in commercial properties.
- Performed diagnostic assessments to identify areas for improvement in existing systems.
- Documented all installation processes and maintained compliance records.
- Collaborated with engineers to develop customized solutions for client needs.
- Engaged in ongoing professional development to stay current with industry trends.
- Assisted in the development of safety protocols to enhance workplace safety.
