MICHAEL ANDERSON

LEAD ELECTRICAL SAFETY ENGINEER

Dedicated Electrical Safety Engineer with over 15 years of experience in the construction industry, focusing on electrical safety in high-risk environments. Strong background in developing and enforcing safety regulations. Skilled in conducting thorough inspections and assessments to ensure compliance with state and federal safety standards. Proven ability to train and mentor teams in electrical safety practices, fostering a culture of safety awareness.

PROFESSIONAL EXPERIENCE

Premier Construction Group

Mar 2018 - Present

Lead Electrical Safety Engineer

- Oversaw electrical safety compliance for over 20 construction projects simultaneously.
- Implemented safety training programs that increased employee safety compliance by 50%.
- Conducted regular site inspections and audits to ensure adherence to safety standards.
- Developed emergency response plans tailored to specific construction site risks.
- Collaborated with project managers to integrate safety into project planning from inception.
- Provided mentorship to junior safety engineers, enhancing team performance and safety knowledge.

BuildSafe Solutions

Dec 2015 - Jan 2018

Electrical Safety Specialist

- Conducted comprehensive safety audits across multiple project sites, identifying critical safety improvements.
- Created safety documentation and reports that guided project safety enhancements.
- Provided safety consulting services ensuring projects met all regulatory requirements.
- Trained construction teams on electrical safety standards and practices.
- Analyzed incident reports to develop strategies that reduced workplace injuries.
- Facilitated safety meetings that promoted continuous improvement in safety culture.

ACHIEVEMENTS

- Awarded the Safety Excellence Award in 2018 for outstanding contributions to project safety.
- Successfully reduced electrical-related incidents by 45% through implemented safety measures.
- Recognized as a safety leader in the construction industry by the National Safety Council.
