SKILLS

- Experiential Learning
- Classroom Technology
- Student Support
- Project Management
- Curriculum Design
- Collaboration

EDUCATION

B.S. IN ELECTRONICS ENGINEERING, TECH COLLEGE

LANGUAGE

- English
- Spanish
- German

ACHIEVEMENTS

- Recognized for outstanding teaching with the 'Teacher of the Year' award in 2020.
- Increased student enrollment in electronics courses by 30% through outreach initiatives.
- Successfully led a project that resulted in the development of a dual-enrollment program with local high schools.

Michael Anderson

ELECTRONICS TEACHER

Enthusiastic and dedicated Electronics Engineering Educator with a focus on experiential learning and real-world applications of electronics. Over 7 years of teaching experience in both secondary and post-secondary educational settings. I am passionate about leveraging technology to enhance student learning and engagement. My background in electronics design allows me to provide students with relevant industry insights.

EXPERIENCE

ELECTRONICS TEACHER

High School of Science and Technology

2016 - Present

- Developed curriculum for electronics courses that integrate hands-on projects.
- Implemented classroom technologies to enhance student learning experiences.
- Organized science fairs where students showcased their electronics projects.
- Provided after-school tutoring for struggling students, improving their grades significantly.
- Collaborated with local businesses to provide students with internship opportunities.
- Led workshops on electronics safety and best practices in project work.

ADJUNCT INSTRUCTOR IN ELECTRONICS

Community College

2014 - 2016

- Taught introductory courses in electronics, focusing on fundamental concepts.
- Designed assessments that accurately measured student understanding and skills.
- Facilitated group projects that enhanced collaboration among students.
- Provided feedback to students on projects, fostering continuous improvement.
- Engaged with parents to discuss student progress and course expectations.
- Participated in curriculum development meetings to align with industry standards.
