### EDUCATION

#### Bachelor of Science in Biomedical Engineering

Health University  
2013

### SKILLS

- Medical Equipment Maintenance
- Regulatory Compliance
- Troubleshooting
- Staff Training
- Quality Assurance
- Equipment Calibration

### LANGUAGES

- English
- Spanish
- French

### WORK EXPERIENCE

#### Biomedical Electronics Technician

2020-2023

HealthTech Services

- Performed maintenance and calibration on medical imaging equipment, ensuring compliance with safety standards.
- Developed and implemented maintenance schedules that improved equipment uptime by 25%.
- Trained healthcare staff on the proper use and care of electronic devices.
- Documented service reports and communicated findings to management.
- Collaborated with engineering teams on equipment upgrades and improvements.
- Conducted routine inspections and troubleshooting on critical medical systems.

#### Electronics Maintenance Engineer

2019-2020

MediTech Solutions

- Maintained and repaired a wide range of electronic medical devices in compliance with regulatory standards.
- Participated in the installation of new medical equipment, ensuring proper setup and functionality.
- Provided on-call support for urgent repair requests, minimizing downtime.
- Collaborated with cross-functional teams on quality assurance processes.
- Conducted training sessions for staff on maintenance protocols and safety practices.
- Monitored equipment performance and recommended improvements.

### ACHIEVEMENTS

- Achieved a 30% reduction in equipment downtime through effective maintenance strategies.
- Recognized for excellence in service delivery by the hospital administration.
- Contributed to a successful accreditation process for the medical facility.
