BACHELOR OF SCIENCE IN BIOMEDICAL ENGINEERING, UNIVERSITY OF FLORIDA, 2016

LANGUAGE

- English
- Spanish
- German

ACHIEVEMENTS

- Contributed to a project that successfully launched a new medical device with zero post-market complaints.
- Recognized for outstanding performance in quality assurance during internship.
- Developed a training manual for quality assurance protocols now used company-wide.

Michael Anderson

QUALITY ASSURANCE ENGINEER

Dedicated Electronics Quality Engineer with 5 years of experience in the medical device industry, specializing in adherence to FDA regulations and quality control processes. My career has focused on ensuring that electronic components meet safety and efficacy standards through rigorous testing and validation. I am skilled in conducting risk assessments and implementing corrective actions to improve product quality.

EXPERIENCE

QUALITY ASSURANCE ENGINEER

MedTech Solutions

2016 - Present

- Ensured compliance with FDA regulations for electronic medical devices through rigorous testing.
- Conducted audits of quality systems to identify areas for improvement.
- Collaborated with product development teams to ensure quality standards were met pre-launch.
- Managed risk assessments and implemented corrective actions to enhance product safety.
- Trained team members on quality assurance protocols and best practices.
- Prepared documentation for regulatory submissions, ensuring all requirements were met.

QUALITY ENGINEER INTERN

Health Innovations

2014 - 2016
