EDUCATION

MASTER OF EDUCATION IN SPECIAL EDUCATION, UNIVERSITY OF TEXAS, 2018

ACHIEVEMENTS

- Recipient of the 'Excellence in Education' award for innovative teaching methods in 2021.
- Improved student engagement ratings by 40% through interactive learning strategies.
- Successfully led a grant proposal for technology enhancements that received \$50,000 in funding.

PROFILE

Results-oriented Elementary School Teacher with a strong foundation in special education principles and a commitment to inclusive education. Over 5 years of experience creating adaptive learning environments for students with varying needs. Adept at developing individualized education plans (IEPs) while effectively communicating with families to ensure each child's needs are met.

EXPERIENCE

SPECIAL EDUCATION TEACHER

Greenwood School for Exceptional Learners

2016 - Present

- Implemented tailored lesson plans for students with diverse learning needs, resulting in a 35% improvement in academic performance.
- Collaborated with therapists and specialists to develop effective IEPs for each student.
- Trained staff on inclusive teaching practices and the use of assistive technology.
- Organized parent workshops that focused on strategies to support children with learning disabilities.
- Conducted regular assessments to monitor student progress and adjust strategies accordingly.
- Facilitated a buddy system that paired students for peer mentoring, enhancing social skills.

THIRD GRADE TEACHER

Hillside Academy

2014 - 2016

- Designed an inclusive classroom environment that accommodated various learning styles and abilities.
- Implemented behavior modification strategies that reduced classroom disruptions by 50%.
- Engaged students in hands-on learning projects that fostered critical thinking.
- Collaborated with parents to create effective support plans for students facing challenges.
- Championed the use of technology in the classroom, integrating educational software to enhance learning.
- Developed a classroom library that promoted literacy and encouraged a love for reading.
