## EMERGENCY ROOM NURSE

Resourceful Emergency Room Nurse with 5 years of experience in a fast-paced urban hospital setting. Specializing in urgent care and trauma response, I am adept at performing rapid assessments and implementing immediate interventions for critically ill patients. My strong communication skills allow me to effectively collaborate with physicians and other healthcare professionals to deliver comprehensive care.

## **PROFESSIONAL EXPERIENCE**

### **Urban Health Center**

*Mar 2018 - Present*

Emergency Room Nurse

- Managed triage and initial assessments for an average of 20 patients per shift.
- Administered emergency medications and performed life-saving procedures as needed.
- Documented patient care accurately in electronic medical records.
- Collaborated with trauma teams to stabilize patients for surgery.
- Provided emotional support and education to patients and their families during crises.
- Engaged in quality improvement initiatives to enhance patient safety protocols.

### **Local Community Hospital**

*Dec 2015 - Jan 2018*

Nurse Intern

- Assisted registered nurses in delivering care to emergency department patients.
- Participated in patient education programs focusing on wellness and injury prevention.
- Helped maintain a clean and safe environment for both patients and staff.
- Shadowed healthcare professionals to learn advanced emergency procedures.
- Documented patient histories and vital signs under supervision.
- Engaged in hospital outreach programs to promote community health awareness.

## **ACHIEVEMENTS**

- Recognized for excellence in patient care by receiving the 'Rising Star Award' in 2019.
- Contributed to a team effort that decreased emergency department wait times by 15%.
- Developed a patient education brochure that was implemented in the emergency department.
