WORK EXPERIENCE

Policy Analyst 2020-2023
Emergency Policy Research Institute

- Evaluated existing emergency management policies to identify gaps and propose reforms.
- Conducted stakeholder interviews to gather insights on policy effectiveness.
- Collaborated with governmental agencies to develop new policy frameworks.
- Analyzed legislative proposals related to emergency services and public safety.
- Presented policy recommendations to state legislators and advocacy groups.
- Published reports that informed public discourse on emergency management issues.

Research Fellow 2019-2020
Institute for Public Safety Research

- Supported research initiatives focused on emergency management policy analysis.
- Conducted literature reviews to inform policy recommendations.
- Engaged with community stakeholders to gather feedback on policy proposals.
- Assisted in the development of public safety advocacy campaigns.
- Contributed to the publication of articles on emergency management reform.
- Facilitated workshops to train stakeholders on effective advocacy strategies.

ACHIEVEMENTS

- Influenced state emergency management policy reforms, improving community safety measures.
- Received the Advocacy Award from the National Emergency Management Association.
- Published a widely-cited report on the impact of emergency services policies on public health.
