Michael Anderson

DIGITAL LITERACY COORDINATOR

I am a dedicated Emerging Technologies Educator with over 10 years of experience in the nonprofit sector, focusing on technology education for underserved communities. My career has been driven by a passion for social equity and a commitment to providing access to technology resources for all learners.

EXPERIENCE

DIGITAL LITERACY COORDINATOR

Tech for All Initiative

2016 - Present

- Developed and delivered digital literacy workshops for youth and adults.
- Created curriculum focused on coding and basic computer skills.
- Collaborated with local schools to provide after-school technology programs.
- Utilized community feedback to continuously improve program offerings.
- Organized community tech fairs to promote digital skills and resources.
- Mentored participants to enhance their career readiness and job search skills.

STEM PROGRAM MANAGER

Community Tech Center

2014 - 2016

- Managed STEM education programs targeting underserved youth.
- Developed partnerships with tech companies to provide resources and mentorship.
- Facilitated hands-on projects that engaged students in real-world technology applications.
- Evaluated program effectiveness through participant surveys and outcome assessments.
- Hosted workshops on emerging technologies for community members.
- Created a volunteer program that increased community involvement in tech education.
