EDUCATION

Bachelor of Science in Telecommunications Engineering

University of Technology
2016-2020

⭐ SKILLS

- Telecommunications
- Network Solutions
- Market Analysis
- Data Analysis
- Strategy
- Communication

🗛 LANGUAGES

- English
- Spanish
- French

Strategic Emerging Technology Analyst with over 5 years of experience in the telecommunications industry focused on the integration of next-generation technologies. My expertise includes analyzing market trends, assessing technology impacts, and developing strategic recommendations to enhance service delivery and customer satisfaction. I have successfully led cross-functional teams in the deployment of innovative solutions that improve network efficiency and reduce operational costs.

💼 WORK EXPERIENCE

Telecommunications Analyst   2020-2023

Telecom Innovations Ltd.

- Analyzed market trends to identify opportunities for technology advancements.
- Collaborated with engineering teams to implement next-gen network solutions.
- Conducted feasibility studies on emerging communication technologies.
- Developed strategic presentations for senior leadership on technology impacts.
- Monitored technology performance metrics to assess effectiveness.
- Facilitated training sessions for staff on new telecommunications tools.

Junior Telecom Consultant   2019-2020

NextGen Telecom

- Assisted in technology deployment projects to enhance service delivery.
- Gathered user feedback to refine telecommunications applications.
- Maintained documentation of project processes and outcomes.
- Participated in team meetings to strategize technology implementations.
- Conducted research on emerging telecommunications technology trends.
- Provided insights that led to a 10% reduction in service downtime.

⭐ ACHIEVEMENTS

- Successfully led a project that improved network uptime by 15% through strategic tech integration.
- Recognized for outstanding contributions to technology deployment projects.
- Presented research findings at an industry conference, enhancing company visibility.
