MICHAEL ANDERSON

DIRECTOR OF EDUCATIONAL TECHNOLOGY

As an Emerging Technology Evangelist with over 12 years of experience in the education technology sector, I have dedicated my career to integrating innovative technologies that enhance teaching and learning experiences. My background in instructional design and technology enables me to effectively advocate for the adoption of digital tools that improve student engagement and performance.

PROFESSIONAL EXPERIENCE

Future Learning Institute

Mar 2018 - Present

Director of Educational Technology

- Oversaw the implementation of a new LMS that increased course completion rates by 40%.
- Developed training materials and workshops for faculty on integrating technology into their teaching.
- Collaborated with curriculum teams to align technology with learning outcomes.
- Conducted research on emerging educational technologies and their impact on learning.
- Advocated for funding and resources to support tech initiatives.
- Presented at national conferences on best practices in educational technology.

Tech for Teachers Co.

Dec 2015 - Jan 2018

Instructional Designer

- Designed interactive online courses that improved student engagement by 50%.
- Worked with faculty to develop multimedia resources for course materials.
- Conducted user testing to refine online learning platforms.
- Provided one-on-one support to educators on technology integration.
- Managed a team of instructional designers to enhance course offerings.
- Evaluated the effectiveness of technology initiatives through student feedback.

ACHIEVEMENTS

- Led a tech initiative that resulted in a 40% increase in student course completion rates.
- Published research on the impact of technology on student learning outcomes.
- Received 'Innovative Educator' award for contributions to tech integration in education.
