Creative Emerging Technology Program Manager with a passion for integrating technology in the educational sector. With over 6 years of experience, I have successfully led projects that enhance learning experiences through innovative tech solutions. My role involves collaborating with educators, administrators, and technology providers to develop tools that facilitate personalized learning and improve educational outcomes.

WORK EXPERIENCE

Education Technology Project Manager | LearnTech Solutions Jan 2022 – Present

- Managed the development of an online learning platform that increased student engagement by 45%.
- Collaborated with educators to design technology tools that align with curriculum standards.
- Facilitated training sessions for teachers on integrating technology into their classrooms.
- Conducted user research to identify needs and preferences of students and educators.
- Tracked project progress using project management software, ensuring timely delivery.
- Communicated project outcomes to stakeholders, gathering feedback for continuous improvement.

Project Coordinator - EdTech Solutions | Innovative Learning Corp. Jul 2019 – Dec 2021

- Supported the implementation of a district-wide technology initiative that improved access to educational resources.
- Assisted in project planning and stakeholder engagement throughout the project lifecycle.
- Monitored project timelines and budgets to ensure compliance with educational standards.
- Prepared training materials and documentation for new software tools.
- Collaborated with IT teams to troubleshoot technical issues during project execution.
- Gathered and analyzed feedback to enhance the effectiveness of educational technologies.
