# MICHAEL ANDERSON

## REGULATORY AFFAIRS MANAGER

Strategic Energy Lawyer with a focus on regulatory affairs and public policy. Over a decade of experience in advising government entities and utility companies on energy legislation and compliance matters. Proficient in analyzing the implications of regulatory changes on energy markets and developing strategies to navigate these shifts. Known for fostering collaborative relationships with stakeholders, including governmental agencies, industry associations, and advocacy groups.

## **PROFESSIONAL EXPERIENCE**

### **State Energy Commission**

*Mar 2018 - Present*

Regulatory Affairs Manager

- Developed and implemented regulatory frameworks for renewable energy programs.
- Advised on compliance with state energy regulations and policies.
- Conducted stakeholder engagement sessions to discuss regulatory changes.
- Prepared legislative proposals and testimony for public hearings.
- Analyzed impacts of proposed regulations on energy markets.
- Collaborated with legal teams to ensure alignment with federal laws.

### **National Renewable Energy Laboratory**

*Dec 2015 - Jan 2018*

Policy Advisor

- Researched and analyzed federal energy policies affecting renewable technologies.
- Drafted reports on best practices for energy efficiency regulations.
- Engaged with industry representatives to gather insights on policy impacts.
- Facilitated workshops on regulatory compliance for energy efficiency programs.
- Contributed to the development of national energy policy frameworks.
- Supported legislative advocacy efforts on behalf of the renewable energy sector.

## **ACHIEVEMENTS**

- Successfully advocated for the passage of state legislation promoting renewable energy.
- Co-authored a widely cited report on energy policy impacts.
- Recognized as a leader in energy policy advocacy by the Renewable Energy Coalition.
