- French

### WORK EXPERIENCE

#### Energy Storage Program Manager 2020-2023

Future Energy Group

- Managed a portfolio of energy storage projects, ensuring alignment with strategic goals.
- Developed and implemented project management methodologies to streamline processes.
- Collaborated with external partners to enhance project outcomes.
- Conducted feasibility studies to assess new storage technologies.
- Monitored compliance with industry regulations and standards.
- Led training initiatives to enhance team capabilities and knowledge.

#### Technical Project Lead 2019-2020

Energy Innovations Inc.

- Led technical teams in the design and implementation of energy storage systems.
- Conducted performance evaluations and provided recommendations for improvements.
- Developed project budgets and managed financial resources effectively.
- Engaged with stakeholders to gather requirements and feedback.
- Presented project results and insights to executive leadership.
- Participated in industry conferences to share knowledge and network with peers.

### ACHIEVEMENTS

- Increased project delivery speed by 20% through process enhancements.
- Awarded the Project Excellence Award for outstanding project execution.
- Successfully implemented a new technology that improved energy storage efficiency by 15%.
