- Project Lifecycle Management
- Financial Oversight
- Regulatory Engagement
- Market Research
- Team Collaboration
- Performance Evaluation

LANGUAGES

- English
- Spanish
- French

EDUCATION

**BACHELOR OF SCIENCE IN ENVIRONMENTAL SCIENCE,
UNIVERSITY OF WASHINGTON, 2013**

ACHIEVEMENTS

- Led a project that won the Green Energy Award for innovation in energy storage.
- Increased project delivery speed through enhanced management practices.
- Recognized for excellence in stakeholder engagement and communication.

WORK EXPERIENCE

ENERGY STORAGE PROJECT DIRECTOR

Sustainable Solutions Inc.

2020 - 2025

- Directed the planning and execution of large-scale energy storage initiatives, enhancing energy sustainability.
- Established partnerships with technology providers to implement innovative energy storage solutions.
- Oversaw financial management of projects, ensuring adherence to budget constraints.
- Implemented project management frameworks that improved delivery timelines by 40%.
- Engaged with regulatory bodies to secure necessary permits and approvals.
- Conducted post-project evaluations to assess performance and identify areas for improvement.

PROJECT ANALYST

Clean Energy Partners

2015 - 2020

- Assisted in the analysis and evaluation of energy storage projects, providing insights for decision-making.
- Supported project managers in budget tracking and reporting on project progress.
- Conducted market research to identify trends and opportunities in energy storage.
- Collaborated with engineering teams to ensure technical feasibility of projects.
- Maintained documentation for project proposals and funding applications.
- Facilitated stakeholder meetings to gather feedback and align project objectives.
