ACHIEVEMENTS

- Awarded 'Best Cloud Infrastructure Project' for exceptional performance in cloud migration.
- Increased customer satisfaction ratings by 50% through effective cloud implementations.
- Recognized for outstanding leadership in large-scale cloud projects.

I am a highly skilled Enterprise Cloud Architect with 14 years of experience in the IT industry, focusing on cloud infrastructure and architecture. My expertise encompasses designing and implementing secure and efficient cloud environments, with a strong emphasis on data management and migration strategies. I have a comprehensive understanding of cloud service models, including IaaS, PaaS, and SaaS, and have successfully led numerous cloud migration projects for large enterprises.

WORK EXPERIENCE

LEAD CLOUD ARCHITECT

Data Solutions Corp.

2020 - 2025

- Architected a scalable cloud infrastructure that supported a 300% increase in user traffic.
- Developed a comprehensive data migration strategy, successfully migrating over 1 petabyte of data to the cloud.
