EDUCATION

**MASTER'S IN AGRICULTURAL
ECOLOGY, UNIVERSITY OF FLORIDA,
2014**

ACHIEVEMENTS

- Implemented a sustainable farming program that reduced pesticide use by 40% over three years.
- Recognized for outstanding contributions to sustainable agriculture by the State Agricultural Board in 2021.
- Developed a community garden project that serves over 500 local families.

WORK EXPERIENCE

SUSTAINABLE AGRICULTURE SPECIALIST

EcoFarm Initiative

2020 - 2025

- Advised farmers on implementing sustainable practices that increased crop yields by 15%.
- Conducted soil health assessments to recommend amendments and improve fertility.
- Developed training programs for farmers on organic farming techniques.
- Collaborated with agricultural scientists to conduct research on sustainable pest management.
- Facilitated community workshops to promote awareness of ecological farming.
- Prepared reports on the economic impact of sustainable practices for stakeholders.

RESEARCH ASSOCIATE

Agricultural Research Service

2015 - 2020

- Assisted in research projects focused on biodiversity in agroecosystems.
- Analyzed data to evaluate the effectiveness of cover crops in soil conservation.
- Collaborated with teams to publish findings in agricultural science journals.
- Engaged with local farmers to collect data and feedback on sustainable practices.
- Organized field days to demonstrate new technologies to farmers.
- Contributed to grant proposals that secured funding for ecological research.
