SUMMARY

Dedicated Environmental Impact Analyst with over 5 years of experience in assessing and mitigating environmental risks associated with various industrial projects. My career began in the renewable energy sector, where I developed a strong foundation in environmental regulations and sustainability practices. I have successfully collaborated with multidisciplinary teams to conduct environmental assessments, ensuring compliance with local and federal regulations.

WORK EXPERIENCE

Environmental Consultant Green Solutions Inc.

Jan 2023 - Present

- Conducted comprehensive environmental impact assessments for multiple renewable energy projects.
- Utilized GIS tools to map and analyze potential environmental risks and mitigation strategies.
- Prepared detailed reports and presented findings to clients and regulatory bodies.
- Collaborated with engineering teams to integrate sustainable practices into project designs.
- Facilitated stakeholder meetings to discuss project impacts and gather feedback.
- Monitored compliance with environmental regulations throughout project lifecycles.

Junior Environmental Analyst Eco-Consultants Ltd.

Jan 2020 - Dec 2022

- Assisted in the preparation of environmental reviews for land development projects.
 - Conducted field surveys to collect data on local flora and fauna.
 - Developed and maintained databases to track environmental impact metrics.
 - Supported senior analysts in drafting reports for regulatory compliance.
 - Engaged with community stakeholders to address environmental concerns.
 - Prepared presentations for internal and external stakeholders summarizing project impacts.
-

EDUCATION

Bachelor of Science in Environmental Science, University of California, Berkeley

Sep 2019 - Oct 2020
