## SKILLS

- Urban Ecology
- Green Infrastructure
- Data Analysis
- Community Engagement
- Report Writing
- Environmental Assessments

## EDUCATION

**MASTER OF ENVIRONMENTAL SCIENCE,  
UNIVERSITY OF WASHINGTON**

## LANGUAGE

- English
- Spanish
- German

## ACHIEVEMENTS

- Successfully integrated green roofs into three major urban projects, enhancing biodiversity.
- Recognized for contributions to a citywide sustainability plan.
- Published findings on urban ecology in a leading environmental journal.

# Michael Anderson

## URBAN ECOLOGY ANALYST

Proactive Environmental Impact Analyst with a strong focus on urban ecology and green infrastructure. With 7 years of experience in both public and private sectors, I have developed expertise in assessing the ecological impacts of urban development projects. My background in ecological science allows me to evaluate how urbanization affects local ecosystems and biodiversity.

## EXPERIENCE

### URBAN ECOLOGY ANALYST

Metro Planning Agency

2016 - Present

- Evaluated the ecological impacts of urban development proposals on local ecosystems.
- Developed strategies for integrating green infrastructure into urban planning.
- Collaborated with city officials and community groups to promote ecological sustainability.
- Conducted workshops to educate planners on the benefits of green infrastructure.
- Prepared reports and presentations summarizing ecological assessments.
- Monitored and assessed the effectiveness of implemented green initiatives.

### ENVIRONMENTAL SCIENTIST

Eco-Design Partners

2014 - 2016

- Conducted environmental assessments for urban redevelopment projects.
- Analyzed ecological data to inform project design and implementation.
- Collaborated with architects and engineers to develop sustainable building practices.
- Engaged with community stakeholders to discuss project impacts and gather input.
- Prepared environmental reports for submission to regulatory agencies.
- Facilitated training on urban ecology for design professionals.
