# MICHAEL ANDERSON

## ENVIRONMENTAL COMPLIANCE MANAGER

Strategic Environmental Project Manager with a decade of experience in the oil and gas industry, specializing in environmental compliance and risk management. Highly skilled in navigating complex regulatory environments and ensuring adherence to environmental standards. Proven track record in leading cross-functional teams to deliver projects that minimize environmental impact while maximizing operational efficiency.

## **PROFESSIONAL EXPERIENCE**

### **PetroTech Industries**

*Mar 2018 - Present*

Environmental Compliance Manager

- Oversaw environmental compliance programs for multiple oil and gas extraction sites.
- Conducted environmental audits and assessments to identify non-compliance issues.
- Developed training programs for staff on environmental regulations and best practices.
- Managed stakeholder communications regarding environmental initiatives and compliance.
- Collaborated with engineering teams to design environmentally-friendly operational practices.
- Tracked regulatory changes and ensured timely updates to compliance protocols.

### **Energy Solutions Group**

*Dec 2015 - Jan 2018*

Environmental Advisor

- Provided environmental guidance for exploration and production projects in compliance with regulations.
- Assessed environmental risks associated with new project developments.
- Facilitated training for project teams on environmental impact mitigation strategies.
- Engaged with regulatory bodies to ensure project compliance and permit acquisition.
- Developed comprehensive environmental management plans tailored to project needs.
- Monitored project performance metrics to evaluate environmental impact.

## **ACHIEVEMENTS**

- Achieved a 40% reduction in environmental incidents through enhanced compliance training.
- Led the implementation of a new environmental management system recognized as a best practice in the industry.
- Received the 'Environmental Excellence Award' for outstanding contributions to sustainability initiatives.
