# MICHAEL ANDERSON

## INDUSTRIAL ENVIRONMENTAL COMPLIANCE MANAGER

Accomplished Environmental Regulatory Officer with a specialization in industrial compliance and over 12 years of extensive experience in the manufacturing sector. Distinguished by a proven ability to implement effective environmental management systems that align with regulatory frameworks while promoting corporate responsibility. Skilled in conducting thorough compliance assessments and managing remediation projects to mitigate environmental risks.

## **PROFESSIONAL EXPERIENCE**

### **Manufacturing Corp.**

*Mar 2018 - Present*

Industrial Environmental Compliance Manager

- Developed and maintained the environmental management system for ISO 14001 certification.
- Conducted regular compliance audits across multiple manufacturing sites.
- Coordinated with engineering teams to implement pollution prevention strategies.
- Managed environmental remediation projects, ensuring timely completion and compliance.
- Prepared detailed reports for regulatory submissions and internal stakeholders.
- Facilitated training sessions on hazardous waste management and compliance.

### **Global Manufacturing Solutions**

*Dec 2015 - Jan 2018*

Environmental Compliance Officer

- Monitored compliance with local, state, and federal environmental regulations.
- Conducted environmental impact assessments for new projects and expansions.
- Collaborated with legal teams to address regulatory violations and develop remediation plans.
- Engaged with community stakeholders to address environmental concerns and inquiries.
- Implemented waste reduction initiatives that resulted in cost savings.
- Led cross-functional teams in developing sustainability initiatives.

## **ACHIEVEMENTS**

- Achieved a 50% reduction in non-compliance incidents through proactive management.
- Recognized with the 'Green Manufacturing Award' for outstanding environmental performance.
- Successfully led the company to ISO 14001 certification within two years.
