WORK EXPERIENCE

Safety and Environmental Coordinator

2020-2023

City School District

- Developed safety training programs for staff and students to promote environmental awareness.
- Conducted safety audits of school facilities and grounds to identify potential hazards.
- Collaborated with teachers to integrate safety education into the curriculum.
- Organized safety drills and emergency response training for faculty.
- Maintained records of safety compliance and incident reports for review by administration.
- Engaged with parents and the community to promote safety initiatives.

Environmental Intern

2019-2020

Green Schools Initiative

- Assisted in developing educational materials on environmental safety for students.
- Participated in projects aimed at promoting sustainability within schools.
- Supported the coordination of environmental awareness events and activities.
- Helped conduct surveys to assess safety needs in various school facilities.
- Collaborated with staff to promote recycling and waste reduction initiatives.
- Engaged with community partners to enhance environmental education efforts.

ACHIEVEMENTS

- Successfully implemented a school-wide recycling program that increased participation by 70%.
- Recognized for outstanding contributions to the district's safety training initiatives.
- Coordinated an environmental awareness event that attracted over 500 participants.
