## SKILLS

- Product usability
- User testing
- Design collaboration
- Market research
- Ergonomic design
- Data analysis

## EDUCATION

**BACHELOR'S IN INDUSTRIAL DESIGN,  
RHODE ISLAND SCHOOL OF DESIGN**

## LANGUAGE

- English
- Spanish
- German

## ACHIEVEMENTS

- Contributed to a product redesign that increased customer satisfaction ratings by 15%.
- Recognized with an internship excellence award for outstanding contributions.
- Participated in a project that won a design innovation award.

# Michael Anderson

## JUNIOR ERGONOMICS ENGINEER

As an Ergonomics Engineer with 4 years of experience in the consumer products industry, I have focused on designing ergonomic solutions that enhance user experience and product interaction. My expertise lies in evaluating consumer products for usability and comfort, allowing me to propose designs that better fit the needs of diverse users.

## EXPERIENCE

### JUNIOR ERGONOMICS ENGINEER

Consumer Goods Innovations

2016 - Present

- Assisted in the evaluation of product designs for ergonomic compliance.
- Conducted user testing to gather feedback on product usability.
- Collaborated with design teams to incorporate ergonomic features into products.
- Analyzed user data to inform design improvements.
- Helped develop ergonomic guidelines for product development.
- Presented findings to product teams to advocate for ergonomic enhancements.

### PRODUCT DESIGN INTERN

Innovative Consumer Solutions

2014 - 2016

- Supported product design teams in ergonomic assessments.
- Conducted market research on ergonomic trends in consumer products.
- Assisted in user testing and feedback collection.
- Created reports detailing ergonomic findings for product teams.
- Collaborated on design iterations based on user feedback.
- Helped facilitate workshops on ergonomic principles.
