MICHAEL ANDERSON

SUPPLY CHAIN MANAGER

Accomplished Ethical Fashion Consultant specializing in supply chain management and responsible sourcing practices. Extensive experience in transforming conventional supply chains into sustainable models that prioritize ethical labor and environmental stewardship. Proficient in conducting audits and assessments to ensure compliance with sustainability standards. Strong negotiating skills facilitate the establishment of fair trade partnerships and ethical sourcing agreements.

PROFESSIONAL EXPERIENCE

Sustainable Style Group

Mar 2018 - Present

Supply Chain Manager

- Redesigned supply chain processes to improve sustainability and reduce waste.
- Conducted supplier audits to ensure adherence to ethical labor standards.
- Implemented a tracking system for sustainable material sourcing.
- Collaborated with production teams to align sustainability goals with operational practices.
- Negotiated contracts with suppliers to secure fair trade agreements.
- Developed training programs for suppliers on sustainable practices.

Fashion Forward

Dec 2015 - Jan 2018

Ethical Sourcing Consultant

- Advised brands on best practices for responsible sourcing and supply chain transparency.
- Conducted risk assessments of suppliers to identify potential ethical concerns.
- Facilitated workshops on ethical sourcing for industry stakeholders.
- Monitored compliance with international labor laws and standards.
- Developed guidelines for sustainable sourcing that align with brand values.
- Collaborated with NGOs to enhance community engagement in sourcing practices.

ACHIEVEMENTS

- Achieved a 25% reduction in supply chain costs through sustainable practices.
- Recognized for developing a comprehensive ethical sourcing framework adopted by multiple brands.
- Successfully launched a certification program for ethical suppliers.
