MICHAEL ANDERSON

PUBLIC EVENT RISK MANAGER

Innovative Event Risk Manager with a strong foundation in public safety and emergency management. Demonstrated expertise in assessing and mitigating risks associated with public events, ensuring the safety of attendees and staff. Skilled in developing and implementing comprehensive safety plans, conducting training exercises, and collaborating with law enforcement and emergency services.

PROFESSIONAL EXPERIENCE

Citywide Events Authority

Mar 2018 - Present

Public Event Risk Manager

- Developed and executed risk management plans for city-sponsored public events.
- Collaborated with local law enforcement to ensure safety measures were in place.
- Conducted safety drills and training sessions for event staff and volunteers.
- Monitored event activities to identify and respond to potential risks.
- Created detailed incident response protocols for emergencies.
- Prepared risk assessment reports for city officials and stakeholders.

Community Events Organization

Dec 2015 - Jan 2018

Safety Coordinator

- Assisted in the development of safety protocols for community festivals and events.
- Engaged with community leaders to address safety concerns and initiatives.
- Evaluated vendor safety practices and compliance with regulations.
- Coordinated with emergency services for event preparedness.
- Documented and analyzed safety incidents to inform future planning.
- Facilitated community workshops on safety awareness and event planning.

ACHIEVEMENTS

- Successfully managed safety for over 200 public events with zero major incidents.
- Awarded 'Excellence in Safety' by the City Council for outstanding risk management.
- Implemented a community safety program that increased local participation by 30%.
